

DOG-FRIENDLY CAMPING SPOTS IN SOUTH AFRICA

South Africa is known for its beautiful and scenic camping spots. You should be able to experience camping with the whole family – including your dog. Camping is a great way to connect with nature and for your dog to release some energy into the wide open. Most camping spots also offer great hiking trails that you and your dog can conquer together. We've compiled a list of dog-friendly camping spots you can visit on your next adventure.
